Profile

Fourth-year MSc Finance student at Aalto University with a BSc in Economics and Business Administration. Interested in roles where analytical work and continuous growth are at the core. Ready to apply the finance knowledge I have gained in and outside of school in professional work, growing into a finance specialist as part of a skilled team. Available full-time in spring or autumn 2027.

Education

Aalto University Espoo, Finland
MSc, Finance *Sep 2026 – 2028 (expected)*

- Focus: valuation and financial analysis. Coursework: Advanced Investments, Advanced Corporate Finance, Mergers & Acquisitions

University of Jyväskylä Jyväskylä, Finland
BSc, Accounting and Corporate Finance | GPA 4.53/5 *Sep 2023 – Apr 2026*

- Co-authored thesis, *Cash management as a signal of external financing: Evidence from European SMEs.* Used panel regression on SME data from **15+** European countries to test whether liquidity and cash-holding patterns predict reliance on external financing
- Coursework: Financial Markets, Corporate Finance, Financial Accounting. Finance minor graded **5/5**

International Baccalaureate Diploma Rovaniemi, Finland
Taught in English *2021*

Finance Projects

- **Valuation certificate, University of Illinois:** Completed *Finance of Mergers and Acquisitions: Valuation and Pricing* (Coursera, 2026), on valuing and pricing companies in M&A transactions
- **Financial modelling:** Built DCF, LBO and comparables models in Excel, forecasting revenue, EBITDA and free cash flow under base and downside scenarios
- **Case competitions, Danske Bank, OP, EY and Accenture:** Placed **2nd of 12** teams at the JYU School of Business case competition with a financing strategy recommendation. Led a four-person team and consolidated its analysis into one recommendation
- **Time-series momentum (TSMOM), Python:** Analysed a time-series momentum strategy in Python for the Advanced Investments course at Aalto

Experience

Comforta Oy Jyväskylä, Finland
Operations Assistant *Summers 2025 and 2026 (Apr – Aug)*

- Delivered **50+** delivery and volume reports per month for supplier invoicing at **100%** quality compliance, by reconciling dispatch counts against order data before each report was released
- Ranked **top 3** of **40** operations staff on efficiency in both summers, exceeding target by **15%** on average

Yleisradio Oy (Yle) Finland
Freelance Live Broadcast Moderator *Project-based, 2020 – 2025*

- Moderated **20+** live broadcasts with up to **10,000** participants, including the Olympics and Eurovision, making real-time judgement calls under time pressure without supervisor review

Marttiini Oy Rovaniemi, Finland
Salesperson *Seasonal (Christmas periods), 2021 – 2025*

- Advised **30+** mainly international customers per shift during a record season (**+15%** YoY)
- Raised custom-engraving add-ons, the store's highest-margin service, to **10%** of my transactions by matching recommendations to each customer's intended use

Skills and Interests

- **Financial analysis:** Valuation (DCF, LBO, comparables), financial statement and KPI analysis, scenario and sensitivity analysis, cash flow forecasting, panel regression
- **Tools:** Excel (advanced, VBA), Python, Stata, Power BI, PowerPoint
- **Languages:** Finnish (native), English (fluent), Swedish (working knowledge), Italian (basic)
- **Interests:** tech investing, crossword puzzles, bouldering, top rope climbing
